

## **Football regulations**

1. Each team may enter for the tournament maximally 14 players. The next player may be entered for only after agreeing with the organiser.
2. All the matches are played according to the football regulations. The matches are played in nine player teams (a goalkeeper + 8 field players). The matches are played on the football pitch with the artificial grass, the pitch is 70 metres long and 45 metres wide.
3. During the game the off side regulation is applied.
4. The penalty area is 9 metres far from the goal line, which is 23 metres long, 9 metres aside from each of two posts of the goal.
5. Goals: 5 metres wide and two metres tall.
6. The penalty kick: 9 metres from the goal line.
7. The corner kick: according to the regulations from the side line at the height of the goal line, because of the barriers of the balloon construction, it is possible to move the ball forward to be able to take the corner kick.
8. The games are played with the balls: size 4.
9. The players use the artificial turf shoes or the artificial grass cleats.
10. The use of shin pads is compulsory.
11. The duration of each game is 25 minutes, there are no breaks.
12. A player may be excluded from the game because of pedagogical objectives for 2, 3 or five minutes, the number of minutes depend on the nature of one's behaviour, but they are applied just once, for the second time the player will be excluded till the end of the game (the red card). If the nature of the behaviour is extremely bad she will be sent off the pitch at once. The red card may be the reason of lacking that player in the next match.
13. The exclusion because of the tactical foul causes that the player will be removed just in this match, if the reason of the exclusion because of different matters cause that the player may not be allowed to play in the next match, either.
14. All the matches are judged by two referees.
